

“Food and Necessity Items for Nepalese” Certificate

Certificate of donation for _____

Amount of donation _____

This donation will go towards the FOH – Project “Food and Necessity Items for Nepalese”, Nepal

FOH is working with Mukunda Dhungana, a leading Nepalese volunteer, to help disadvantaged populations in Nepal overcome the precarious situation caused by Covid-19. To do this, FOH raises funds for Mukunda to buy food and necessities, and then distributes these resources to families in need.

The community we decided to help is composed of 116 households and most of these people are daily wage workers, disabled persons, old person, and single mothers.

With your contribution, you are helping us to put a smile on people’s faces, for whom the word hope seems to have disappeared.

Many thanks for your support!
